## DEAKIN UNIVERSITY

Originally founded in 1975, Deakin University has had important links with many other tertiary educational institutions throughout Victoria. Subsequent amalgamations have meant that the historical records of results for students who attended these institutions are currently held by Deakin University and are available on request as a Deakin University Academic Transcript. Information relating to Results Code prior to 1993 can be obtained from the Deakin University website [www.deakin.edu.au](http://www.deakin.edu.au)
